

## Grant application instructions

All applicants must fill out the form, private persons as well as work groups and institutions. For work groups the leader makes the application. The members of the work group are to be listed in "additional information".

The aim and purpose of the project is to be mentioned in short. If possible, the research plan or work plan of the project should be enclosed. Enclosed attachments must be copies. The Migration Institute of Finland does not keep or return them. The applicant must enclose a CV or information on his/her education, earlier activities and publications.

The application must be sent to

Research director Elli Heikkilä  
The Migration Institute of Finland  
Hämeenkatu 13  
20500 Turku  
Finland
