Reasons to get the grant
Additional information

#### Instructions to fill out the form

1. All applicants must fill out the form, private persons as well as work groups and institutions. For work groups the leader makes the application. The members of the work group are to be listed in "Additional information".
2. The aim and purpose of the project is to be mentioned in short. If possible, the research plan or work plan of the project should be enclosed.
3. Failure to inform of other grants for the purpose affects the evaluation procedure.
4. Former grants from the funds of Institute of Migration are to be mentioned.
5. Field of research or art which corresponds to the application.
6. The applicant must in advance agree to being listed as referees. Letters of reference are not needed.
7. Enclosed attachments must be copies. The Institute of Migration does not keep or return them. **The applicant must enclose a CV or information on his/her education, earlier activities and publications.**

**The application with attachments must sent by secure email:**
